---

**POSITION:** Customized Industry Training/PLC and Robotics Instructor  
(Full Time, One Year Temporary Grant, funded through 10/31/2010).

**PROPOSED START DATE:** October 1, 2009.

**LAST DATE FOR RECEIPT OF APPLICATION:** Open until filled.

All applicants are requested to submit:

1. A CVCC employment application form
2. Resume
3. Photocopies of transcripts

**MINIMUM QUALIFICATIONS REQUIRED:**

**EDUCATION:** Bachelor or associate degree in Electronics Engineering (or a related field).

**EXPERIENCE:** Minimum five years of current experience in an electronics related field, including PLCs and robotics. Experience in training adults preferred.

**PERSONAL TRAITS:** Excellent interpersonal, influencing, and presentation skills preferred. Ability to utilize different methods and mediums in delivering course material.

**JOB DESCRIPTION:** Responsible for training adults in electronics, robotics, PLCs, and general manufacturing principles. This includes helping trainees to be successful in mastering program content. The instructor is also responsible for maintaining thorough and up-to-date knowledge in these content areas. Responsibilities will also include assisting with course development.

**SALARY AND BENEFITS:** Salary commensurate with education and experience. Employment benefits include retirement, hospitalization and dental insurance, vacations, holidays, and sick leave.
