

The measure of a student's overall academic performance for curriculum courses attempted at the College and with a course number greater than or equal to 100 shall be a per credit hour grade point average (GPA) based on a 4.0 scale. A student will receive 4 grade points per credit hour for excellent performance (letter grade A), 3 grade points per credit hour for above average performance (letter grade B), 2 grade points per hour for average performance (letter grade C), 1 grade point per hour for below average performance (letter grade D), and 0 grade points per hour for failing performance (letter grade F or WF).

A temporary grade of I (Incomplete) may be recorded if, in the judgment of the faculty member of the class, extenuating circumstances exist. A temporary grade of I indicates that the course has not been completed satisfactorily, and any course with this grade will not satisfy prerequisite requirements for additional coursework. The course must be completed and the temporary grade of I replaced with the final course grade before the begin date of the next semester. If a passing grade is not earned, the temporary grade of I will be replaced with an F. Exceptions are at the discretion of the Dean of Enrollment Management.

Valid grades for developmental courses (All DMA, All DRE, CTS 080, OST 080) are P (indicates satisfactory completion), R (unsatisfactory completion-student must retake the course), and WP (indicates withdrew passing).

Valid grades for transition courses (ENG 002 and MAT 003) are P1, P2, and P3 (indicates satisfactory completion), R (unsatisfactory completion-student must retake the course), and WP (indicates withdrew passing).

Valid grades for supplemental courses (ENG 011, MAT 010, MAT 021, MAT 043, MAT 052, and MAT 071) are P (indicates satisfactory completion), F (unsatisfactory completion-student must retake the course), and WP (indicates withdrew passing).

The Administrative Instructional Council (AIC) shall establish the numerical averages (numerical scale) to be used to assign the letter grades specified above. Such numerical averages shall be used by all curriculum faculty when assigning letter grades.

For continuing education courses, a grade of "S" signifies satisfactory progress and a grade of "U" designates unsatisfactory progress. Grades earned in continuing education courses are not included in GPA calculations.
