COURSE DESCRIPTIONS

ART OF ANIME

AGES 9-14

Step into the colorful world of anime! This exciting camp is perfect for young artists who love anime and want to learn how to draw in this popular Japanese art style. Campers will explore the fundamentals of anime drawing, including expressive eyes, dynamic poses, character design, and storytelling through manga-style comics. Whether your child is a beginner or already sketching their favorite characters, this camp will help them grow their skills, spark their creativity, and connect with fellow anime fans. Let the adventure begin—one frame at a time!

ARTRAZEOUS!

AGES 9-14

Calling all young artists! This hands-on camp is perfect for kids who love to create and want to explore a wide range of artistic techniques. From painting and drawing to working with markers, pastels, and more, campers will experiment with different materials and styles to bring their ideas to life. Each day offers new projects that encourage imagination, self-expression, and skill-building in a fun, supportive environment. Whether your child is a seasoned sketcher or just starting their artistic journey, they'll leave camp with a big boost of creative confidence!

ARTSY ADVENTURES

AGES 6-9

Come along to a fun-filled DIY adventure where imagination meets creativity! This camp is perfect for young artists who love to get their hands messy while making one-of-a-kind crafts. With a mix of sensory-friendly projects, painting, and take-home crafts, this camp encourages self-expression with hands-on fun! It's the ultimate opportunity for kids to bond with peers, develop new skills, and let their creativity soar!

BABYSITTING 101

AGES 12-16

Ready to become the go-to babysitter in your neighborhood? Babysitting 101 is a fun and informative course designed to give teens the skills and confidence they need to care for younger children safely and responsibly. In this hands-on class, participants will learn:

- Essential safety and supervision skills
- How to handle common emergencies and basic first aid
- Age-appropriate games and activities to keep kids engaged
- Tips for managing behavior and communicating with parents
- How to build a babysitting business

Plus, all participants will earn CPR certification through the American Red Cross, giving them a valuable credential and peace of mind for parents. Whether you're just starting out

or want to sharpen your skills, this course is the perfect step toward becoming a confident, capable babysitter! CPR card is included.

BEAUTY BOOTCAMP

AGES 7-11

This class is designed for girls eager to explore the world of makeup, hair, and nails for the first time. They will learn the art of creating beautiful braids and heatless hairstyles, discover simple techniques to enhance their natural beauty, and indulge in a relaxing spa day complete with facials and manicures. Throughout the week, they will gain valuable beauty tips that help them feel confident and look their best. Complete with a mini-photoshoot, they will showcase their newfound skills and radiance—both inside and out!

CARTOONING

AGES 9-14

Unleash your imagination and bring your characters to life! In this fun and creative camp, young artists will learn the basics of cartooning—from drawing expressive faces and dynamic poses to creating their own comic strips and characters. Campers will explore storytelling through art, develop their unique style, and build confidence in their drawing skills. No experience needed—just a love for cartoons and a big imagination! Get ready to doodle, laugh, and create all summer long!

CYBER GIRL SECURITY

AGES 12-16

Step into the exciting world of cybersecurity with CyberGirl Summer Camp—a high-energy, 4-day adventure designed just for middle school girls! Whether you're curious about how the internet works or ready to take on digital challenges, this camp is your launchpad into the world of tech and cyber defense. Throughout the week, you'll:

- Crack secret codes and solve digital puzzles
 - Learn how to protect data and outsmart cyber threats
 - Explore real-world cybersecurity tools and techniques
 - Collaborate with new friends in fun, team-based challenges
 - Be mentored by inspiring women in tech and cybersecurity
- No experience? No problem! All you need is curiosity, creativity, and a willingness to learn. Come discover your inner cyber hero—and show the world how girls get it done in tech!

DESIGN LAB

AGES 11-14

Design Lab is a hands-on, creative summer camp where students bring their ideas to life through custom-designed buttons, stickers, t-shirts, and more. Campers will explore the world of graphic design and printing as they learn to turn their personal style into wearable and shareable art. No experience needed—just imagination and a passion to create!

LEARNING WITH LEGOS

AGES 6-12

Unlock creativity, strengthen reading comprehension, and develop problem-solving skills—all while having a blast with Legos! This camp, designed for children ages 6-12, blends hands-on building with engaging literacy activities to make learning fun. Campers will dive into exciting stories, follow step-by-step challenges, and unleash their imagination as they construct amazing Lego creations. Whether they're designing a futuristic city, building characters from their favorite books, or solving engineering puzzles, every activity fosters critical thinking, teamwork, and a love for learning.

MAKEUP MAYHEM

AGES 11-14

This hands-on camp introduces kids to the magic of special effects makeup using affordable, safe materials. Campers

will explore character design, bruises and wounds, zombie transformations, and fantasy looks, all while learning creative problem-solving and storytelling techniques.

PUBLIC SAFETY CAMP

AGES 11-14

Calling all future heroes! The Public Safety Summer Camp is designed for 6th-8th graders who want to learn about the vital roles of first responders and emergency personnel in keeping our communities safe. Campers will engage in hands-on activities, exciting demonstrations, and interactive lessons led by professionals in law enforcement, fire rescue, EMS, and emergency management. From practicing fire safety and first-aid techniques to exploring teamwork and leadership skills, this immersive experience will inspire confidence, awareness, and responsibility.

THEATRE WORKS

AGES 9-14

Lights, camera, action! Step into the spotlight at Theatre Works, a one-week summer camp where creativity takes center stage. Perfect for aspiring actors, storytellers, and behind-the-scenes stars, this camp introduces kids to the exciting world of theater through acting games, improvisation, character building, and stagecraft.

Campers will:

- Build confidence through fun performance activities
 - Learn the basics of acting, voice, and movement
 - Work together to create and rehearse a short play
 - Explore costumes, props, and set design
 - Perform for family and friends at the end-of-week showcase!
- No experience needed—just bring your imagination and a love for drama! Whether you're a future Broadway star or just want to try something new, Theatre Works is your ticket to a week of fun, friendship, and fantastic performances.

WEIRD SCIENCE 101: A SUMMER OF SLIME, SPARKS & SURPRISES

AGES 9-14

Get ready for a summer full of mind-blowing experiments, wacky reactions, and slimy fun! Weird Science 101 is designed for curious kids ages 9-14 who love to get hands-on with science in the wildest ways possible. Each day, campers will make slime, dive into crazy chemical reactions, and explore science through exciting experiments that bubble, fizz, and pop! Plus, we'll take a special library trip to uncover the mysteries of science hidden in books and discovery zones. From glowing liquids to gooey creations, this camp is all about learning through messy, magical experiences—because science should always be fun! Join us for a summer of exploration, excitement, and endless weirdness!

WEIRD SCIENCE 202: A SUMMER OF DISCOVERY & EXPERIMENTS

AGES 9-14

Ready to dive deeper into the wild, wonderful world of science? Weird Science 202 is designed for curious minds ages 9-14, bringing together the best of biology, physics, chemistry, and earth science for an unforgettable summer of exploration! Campers will investigate plants, rocks, and ecosystems, uncover the secrets of animals and biology, and conduct exciting formulas and experiments that reveal the forces shaping our world. Whether they're testing gravity, observing wildlife, or creating incredible chemical reactions, every day is a new hands-on adventure in discovery! Come join us as we explore, experiment, and get messy with science—because learning should always be fun!
